On June 11, 2006 Sarcee hosted it's 32nd Annual **Fun Fishing Day for people with disabilities**. Fifty fishing guests and over 100 volunteers enjoyed nice weather and good fishing. Over fifty fish were caught and most of them were 11/2 pounds or more. Donuts, chocolate bars, chips, Salads, Burgers and drinks were served at the pond. The following awards were given out:

The after-fishing Awards Banquet was again provided by the Airdrie Legion. They did a super job of preparing and serving a wonderful meal. Thank-you, Airdrie Legion.

**Big Fish:** If you, or one of your kids, catches a good fish this summer consider entering it for one of our awards. Sarcee and the Province have awards for both legally kept fish and Catch and release fish. If it is a catch and release situation, you need to measure the length and have a witness. A photograph with some kind of measuring stick would help. If it is a kept fish, it must be weighed on a commercially certified scale if it is for a Provincial Award (a tackle box scale will do for club entries) and the weighing should have an adult witness.

An **entry form** is available on our club Web Page, [www.sarceefishandgameassociation.ca](http://www.sarceefishandgameassociation.ca). Information on downloading is on the site, and if you do not have a computer, you will find free use of one, with lots of assistance, at the public library branches, or phone an executive member for help.

**Big Bird:** There is also a form on the website for that 40 inch Pheasant, or 15 pound goose.

**First Notice for Club Shirts:** Our club is going to be purchasing some nice hunting style shirts with our club logo on them. The primary purpose is to improve our image at shows and venues where we are open to the public. However, we will make them available to all club members. The price with logo will be around \$40.00 and this price will be partially subsidized by the club. Further information will be coming in subsequent newsletters, but if you know that you are interested call **Murray Schultz** at **236 4149**
